Scope and Contents

The collection documents the varied activities of Boswell Stevens (1897-1986), a farmer from Noxubee County, Mississippi, whose career included the presidency (1950-1972) of the Mississippi Farm Bureau Federation. Among the many other organizations with which he was affiliated were the American Farm Bureau Federation, the National Cotton Council of America, the American Dairy Association of Mississippi, the Mississippi Federated Cooperatives, the insurance companies of the Southern Farm Bureau, the Mississippi Chemical Corporation, the Coastal Chemical Corporation, the Mississippi Board of Trustees for Institutions of Higher Learning, Mississippi State University, and Mississippi Industrial and Technological Research Commission. In addition to reflecting his involvement with these associations, the collection shows Stevens' strong interest in the economic development of Mississippi and in agricultural issues in general. Included is correspondence with a number of United States congressmen and Mississippi governmental officials.

The collection consists primarily of correspondence, reports, clippings, scrapbooks, photographs, memorabilia, and publications. The bulk of the records date from 1950 to 1980.
